

## Display for binders

KEBAdisplay is a unique mobile system for personal organisation, presentation and display. There are three different models of the KEBAdisplay. **Desk** - just dock the binder you need for the moment. **Wall** - easy to mount on the wall and dock the binder. Perfect for instructions or manuals at the production site. **Floor** - the stylish floor model is perfect to display price lists or product presentations for example in stores or at car dealers. There are many places and situations where a KEBAdisplay can be used, it is only your imagination that sets the limits.
